# FIBERNET

Fiberoptic division

Reliable, fast and competitive service.

Fibernet group at glance

Headquater: Ljubljana, Slovenia
Workforce: 52
International: present in 5 countries
Export: EU, Russia, Balkans, Thailand
Assembly shops: 3 assemblies
                  (Slovenia
                  FBiH and
                  Macedonia)
Yearly turnover: 7.2M EUR
Markets served: telecom
                  internet
   industry
                  energy

FIBERNET

What we do?

Fiberoptic assembly largest in Adriatic region

▶ Most sophisticated and automated assembly line in the region

▶ Manufacturing of fiberoptic pig tails, termination cables in class from 0.10dB till 0.30dB

▶ Output volume 23.000 connectors/month

▶ Semi-automated assembly line with high quality assurance

▶ Manufacturing of special pre-terminated fiber cable bundles (**MasterLine**, **SmartLine**, IFC, etc.)

FIBERNET

Quality service and materials hand in hand

▶ Certified according to highest international standards

▶ Manufacturing of fiber optic cable bundles for biggest telecom operators in the region, mines and industry

▶ Fast response time and adaptability to client needs

▶ R&D of new fiber optic products for specific needs
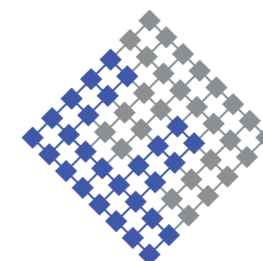

FIBERNET

Prefabricated cable bundles - MasterLine

▶ **MasterLine** Classic for complex indoor or outdoor installation

▶ 2 to 48 fibers, maximum length to 4000m

▶ IP67 waterproof protection

▶ **MasterLine** Lite for indoor installation

▶ 2 to 24 fibers, maximum length to 2000m

▶ Without waterproof protection

**FIBERNET**

Prefabricated cable bundles – MasterLine/SmartLine

▶ **MasterLine** Quick for wall-mount closets with dividers and bigger distribution systems

▶ Installed divider up to 12 fibers

▶ Without waterproof protection

▶ **SmartLine** Breakout for indoor installation, where high density of connection points are needed

▶ 2 to 12 fibers, maximum length to 2000m

▶ Without waterproof protection

**FIBERNET**

Connection and termination fiberoptic cables

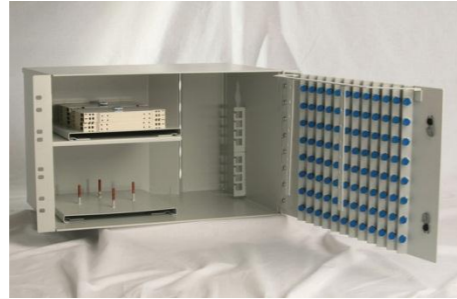

▶ Pig tails

▶ Different lengths and types of fiber optic connectors

▶ Multimode pig tails with ST, SC, LC or MTRJ connectors

▶ Singlemode pig tails with SC PC and SC APC, LC PC and LC APC, FC PC and FC APC, LX.5 PC and LX.5 APC, E-2000 PC and E-2000 APC connectors
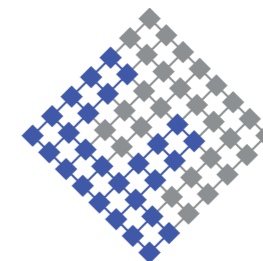

FIBERNET

Fiber optic dividers 1HE, 2HE, 3HE etc.

▶ Divider composition:
- body,
- front panel,
- fiberoptic junctions or adapters,
- cartridge cover,
- small connection material.

▶ Optional divider composition:
- fiberoptic cartridge,
- terminated fiberoptic cables,
- junctions protector,
- small connection material.

FIBERNET

Fiberoptic distribution systems

▶ **SISA** – fiberoptic distribution closet

▶ Adapted for FTTx projects

▶ Capacity of more then 3000 fibers in one closet

▶ Easy installation and later upgrade

▶ More then 500.000 installed fiberoptic connection points in Slovenia

FIBERNET

Fibernet Group partners

Strategic alliances

References

Know-how, high quality level of equipment and services, own R&D and comprehensive services are key factors, where we gained trust of biggest companies and organisations in the region.
